

Job Title: Health Economist

Start: Flexible

Location: Remote, UK based

Initiate

Initiate is a global market access strategy consultancy working with novel products designed to help people living with rare or life limiting disorders.

We are part of Synaptiq Health, a collection of individual, best-in-class agencies and consultancies with offices throughout Europe and the US who provide life science clients with integrated or stand-alone support services across the three key components critical to product success: INSIGHT, ENGAGEMENT and ACCESS.

Our core values are **collaboration, empowerment, integrity** and **pragmatism**. We seek to recruit extraordinary talent in those who not only hold these same values but have a passion to succeed, deliver and grow.

Job Purpose: To be a key member of our health economics team, which involves working as a highly skilled health economist supporting clients and Initiate's market access team. Following the appropriate training, the post holder must be able to perform economic analysis such as creating cost effectiveness and budget impact models. Activities will also include work related to epidemiological studies, disease management, unmet medical needs, burden of disease, cost of illness, relative efficacy and safety, as well as supporting strategic pricing and marketing, value proposition and communication.

Responsibilities

Collaborating with colleagues, health economists must be able to successfully deliver a range of projects including:

- Developing cost effectiveness and budget impact models
- Carrying out a range of data simulation methods
- Understanding international health systems
- Contributing to clinical summaries, dossiers and value messages to support reimbursement submissions
- Supporting primary and secondary research

About you

- Ideally a post graduate MSc or PhD in Health Economics, or any related domain with advanced modelling or statistical skills
- Experience in health economics
- Prior Market Access experience is desired, but not essential.
- Degree (or equivalent) in economics, statistics, maths, or sciences
- Highly organised and customer service focus
- Ability to manage time and workload effectively.
- Strong problem-solving skills and attention to detail
- Excellent communication skills, both written and verbal are essential
- Fluency in English (written & spoken) is required

Initiate Consultancy is a limited company registered in England and Wales.
Registered number 11903774. Registered office: 18A/20 King Street, Maidenhead, Berkshire, SL6 1EF, UK.

- Strong level of proficiency in MS Excel, Word and PowerPoint is essential
- Ability to work independently as well as in a team
- Proficiency in Excel VBA and R is desirable, but appropriate training will be given

Additional benefits

- Competitive salary
- Bonus scheme
- Birthday off
- 25 days holiday (excludes bank holidays)
- 3 days leave 'Privilege Days' at Christmas time
- Healthcare insurance scheme
- Personalised development programme
- Bike2work scheme
- Use of onsite gym and/or subsidised gym
